Nov-Dec, 2022

THE MISSION of Nonviolent Santa Fe is to identify, educate, and encourage healing of the many forms of violence that cause needless suffering in our lives.

THE VISION of Nonviolent Santa Fe is to promote a culture of peace that fosters respect for all individuals, and rejects all forms of violence impacting our community.

News & Notes:

Nonviolent Santa Fe is launching a **Visibility Campaign**, with bumper stickers and new decals for businesses or organizations to display "We Support a Nonviolent Santa Fe." Watch for more.

Participate:

Our next general meeting is Tuesday, December 6th, 4pm, on zoom. Nonviolent Santa Fe meets monthly for planning and discussion, by zoom. For information, contact Bobb Barnes at bobb@practicepeace.net.

“Hearten Café”

The Hearten Café is a safe space where community members can begin to process their feelings about recent violent events without judgment or argument. The first Café will take place on **Thursday, Dec 1st**, at 6pm, led by the Rev. Jean Darling and Debra Bryant. You will get a special invitation soon, as we hope to have the original Nonviolent Santa Fe participants take part in this pilot roll-out and give us feedback.

“...preserve a strict Friendship for one another, and thereby you, as well as we, will become the stronger.” ~ Onondaga leader Canassatego to the 13 colonies, 1744.

60th Anniversary, Cuban Missile Crisis

On October 14th we accompanied Veterans for Peace, NukeWatch, and Concerned Citizens for Nuclear Safety to a meeting with Sen. Heinrich's staff to voice our concerns about **excessive (hair-trigger) readiness, new bomb production, and pollution at Los Alamos Labs**, preceding a rally with the Raging Grannies singers in front of the Federal Building where Sen. Lujan and Rep. Leger Fernandez have offices.
